UM PORTFÓLIO QUE EVOLUI JUNTO COM O SEU NEGÓCIO.

É com muita satisfação que apresentamos a **terceira edição do Catálogo de Produtos HPC/Consumo da Medicamental**. Mais completa e diversificada, ela representa a **evolução do nosso trabalho e o fortalecimento da nossa atuação neste segmento estratégico**.

Seguimos atentos às necessidades do mercado e dos nossos clientes, ampliando parcerias e **entregando soluções que ajudam cada PDV a vender mais e melhor**.

► MAIS LINHAS, MARCAS E POSSIBILIDADES

Nesta edição, **ampliamos ainda mais o mix de produtos e marcas**, desenvolvido para atender diferentes perfis de consumidores.

Entre as novidades, destacamos a chegada de marcas importantes: **Duracell, referência em pilhas e baterias e Semina, com a linha de géis íntimos K-Y**.

► PRODUTOS, OPORTUNIDADES E CONEXÃO

Mais do que ampliar o mix, queremos aproximar nossos clientes das melhores oportunidades de negócio. Por isso, reforçamos o investimento em **campanhas comerciais e promoções**, com ações que aumentam a visibilidade das marcas e apoiam o crescimento das vendas.

► MAIS QUE UM CATÁLOGO

Cada página representa uma oportunidade de **ampliar categorias, diversificar mix e oferecer novas soluções aos consumidores**.

Seguimos evoluindo com proximidade, consistência e dedicação, **construindo parcerias duradouras** e ganhando cada vez mais visibilidade com um **portfólio completo**, competitivo e conectado às necessidades do mercado.
